MFLOW

The trusted name in Australia for over 70 years

Australian Made · Australian Owned · Australian Tough · For Over 70 years

From humble beginnings in a small factory located in Mortlake, NSW to today, Millard Caravans is one of Australia's most respected and highly regarded caravans with a **proven track record since 1947**. After all this time we're still one of the best caravan manufacturers in Australia, with all Millard Caravans hand-built in our Ingleburn, Sydney factory.

We pride ourselves on **value for money**. We make sure our caravans have everything you need, plus that little extra luxury that you deserve. **Quality** is at the core of everything we do. We only work with the best of the best and source the highest quality materials, finishes and appliances, just for you.

Our **customer service** is what sets us apart. We're always finding ways to put you first and help you to make the best decisions so we can build your dream caravan together. Using **cutting edge manufacturing** technics and materials, our architecturally designed caravans are built to reflect your tastes and the lifestyle you want to live.

5 year Structural + 2 year Manufacturing warranty

All Millard Caravans are built to last with a hot dipped galvanised chassis, an Aluminium structural wall frame and full piece composite roof.

This gives you peace of mind in the longevity of the life of your quality-built Millard caravan which is backed by our commitment and promise of a 5 year Structural and 2 year Manufacturing warranty*.

Millard Caravans are accredited by RVMAP, the official accreditation key of the caravan industry. The RVMAP accreditation key is a symbol of a manufacturer's commitment to consistently build and supply quality products that adhere to all relevant Australian design rules, regulations and standards.

*Warranty period commences from the date of purchase and is effective for all new caravans built from January 2020 onwards. Terms and Conditions apply.

MFLOW

The MFLOW range

The on-road MFLOW is Millard's latest range, designed for families and couples looking for a feature-packed van at an affordable price.

Built with our signature hot-dipped galvanised chassis, single-sheet roof and aluminium frame, the Mflow's uncompromising quality makes it the ultimate companion on your family holidays.

Select upgrades and styling options are available across our standardised couple and bunk models.

MFLOW 17ft 6

Exterior

Built with our signature hot-dipped galvanised chassis, single-sheet roof and aluminium frame. The MFLOW is manufactured with easily maintained flat light weight sandwich panel consisting of low density polyethylene core bonded to two thin coil coated aluminium sheets. The standard colour for the composite panel is white but also available in silver.

The list of exterior inclusions is endless, with a 170w solar panel, external awning, power point + TV point, external speakers plus reversing camera all included as standard.

High black checkerplate cladding also comes as standard to protect your investment from the harsh conditions on the road and optional add-ons include toolbox with slider, mesh stoneguard, bike racks, and exterior shower.

For a full list of all standard inclusions and options please view the Specifications list in the back of this brochure.

Exterior decals on all MFLOW models can be selected in one of four specially designed colour schemes.

MFLOW 22ft Double Bunk

Interior

Millard Caravans feature the latest appliances, durable luxury finishes, CNC cabinetry, and all the modern technology required to ensure the perfect balance of comfort and longevity.

Our interior finishes and colour palettes have been expertly designed to compliment the Australian landscape and to create a timeless, tranquil oasis when on the road.

The MFLOW range features Dometic Airconditioning, Dometic full oven, Front loader washing machine, TV, Radio and Speakers, Microwave and Dometic 188-224lt (model dependant) fridges.

Note 1:
Mesh Stone Guard or Tool Box, cannot be a combination unless gas bottles are relocated in the toolbox

Note 2:
The tow ball and tare weights are only a guide and will change dependent on accessories fitted to your caravan. It is advisable to discuss this with your Millard Caravans Dealer covering your specific requirements. Millard Caravans allows an amount of additional weight (Payload) for each individual unit manufactured above the initial manufactured Tare weight of the unit.

Note 3:
Options are layout dependent and some options are not available on certain models. Please confirm with the dealer.

Note 4:
For 17ft6 Mflow, increase to 16 inch wheels , the ATM is 2500kgs plus the ball weight
